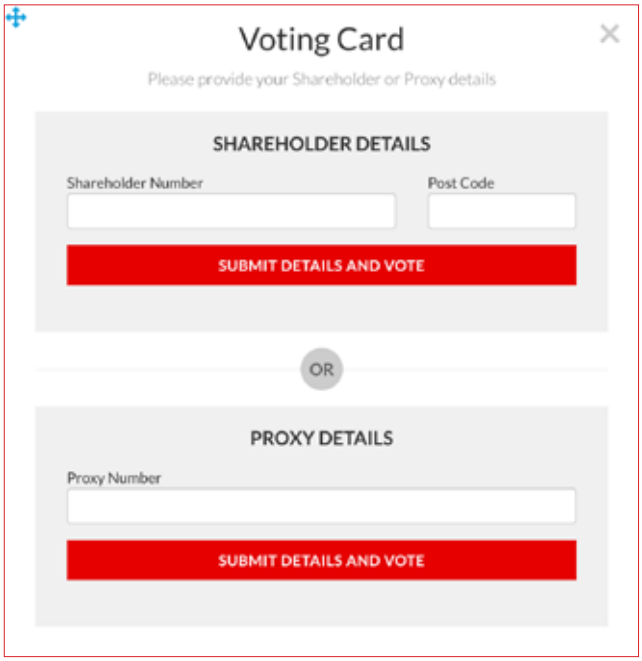
1. Get a Voting Card

To register to vote – click on the 'Get a Voting Card' button.

This will bring up a box which looks like this.

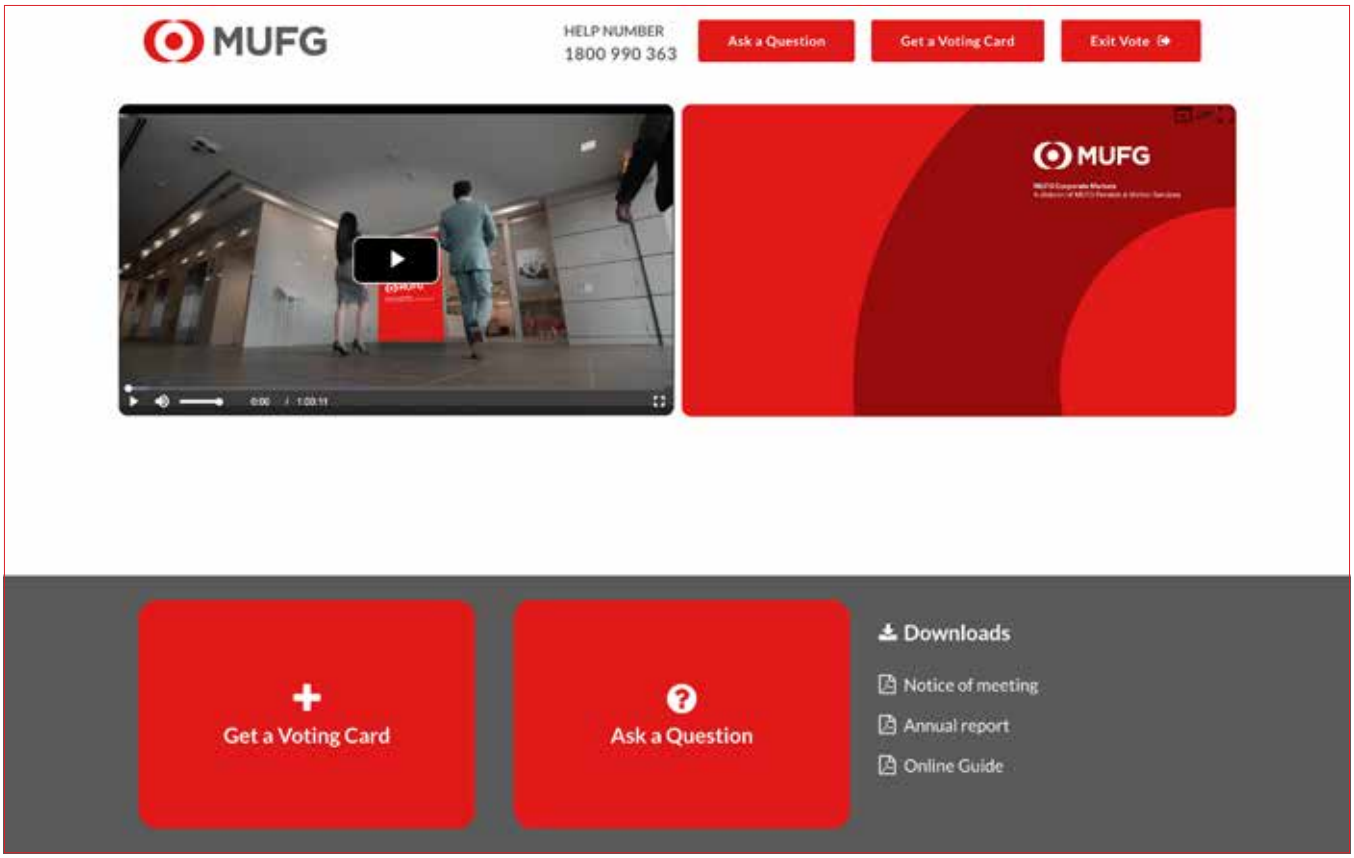


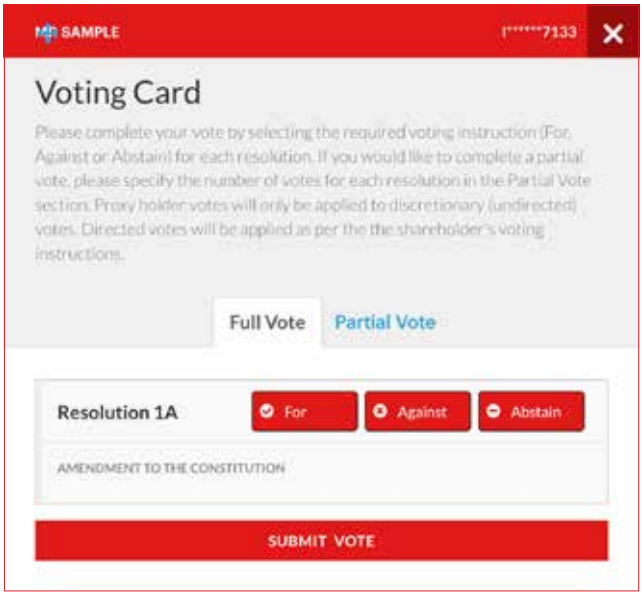
If you are an individual or joint shareholder you will need to register and provide validation by entering your shareholder number and postcode.

If you are an appointed Proxy, please enter the Proxy Number issued by MUFG Corporate Markets in the PROXY DETAILS section. Then click the **'SUBMIT DETAILS AND VOTE'** button.

Once your details have been verified, your voting card will appear with all of the resolutions to be voted on by shareholders at the Meeting (as set out in the Notice of Meeting). You may need to use the scroll bar on the right hand side of the voting card to view all resolutions.

Shareholders and proxies can submit a Full Vote or Partial Vote.





Full Votes

To submit a full vote on a resolution ensure you are in the **'Full Vote'** tab. Place your vote by clicking on the **'For'**, **'Against'**, or **'Abstain'** voting buttons.

Partial Votes

To submit a partial vote on a resolution ensure you are in the **'Partial Vote'** tab. You can enter the number of votes (for any or all) resolution/s. The total amount of votes that you are entitled to vote for will be listed under each resolution. When you enter the number of votes it will automatically tally how many votes you have left.

Note: If you are submitting a partial vote and do not use all of your entitled votes, the un-voted portion will be submitted as No Instruction and therefore will not be counted.

Once you have finished voting on the resolutions scroll down to the bottom of the box and click on the **'Submit Vote'** or **'Submit Partial Vote'** button.

Note: You can close your voting card without submitting your vote at any time while voting remains open. Any votes you have already made will be saved for the next time you open up the voting card. The voting card will appear on the bottom left corner of the webpage. The message **'Not yet submitted'** will appear at the bottom of the page.

You can edit your voting card at any point while voting is open by clicking on **'Edit Card'**. This will reopen the voting card with any previous votes made.
